

Kundalini-Awakening-Systems-1

Kundalini, is one of the most sought after states of consciousness. It is a profound physical and spiritual manifestation that can open vast areas of discovery with in the person awakening to it. We are dedicated to the safe and joyful activation and awakening of the Kundalini Energies. Kundalini is also known as the greater Khan and Li, (Chinese), the Holy Fire (Christian Mystics), Domo Fire of the (Buddhists), Loong and an aspect of Kundalini called Tumo of the (Tibetans). The Sufi Latifas infused with Zhikr (Islamic). We offer our service and support in love and kindness for the understanding and activation of the Kundalini. This is a very powerful and transformative energy, located at the base of the spine in the last three vertebrae of the tailbone. Kundalini is a natural birthright for all people but must be sought and nurtured with a spiritual and physical practice for optimum benefit. This group is positioned for assistance and guidance in the vast areas of physical, emotional, mental, and spiritual phenomenon of the Kundalini. We will discuss the symptoms of a Kundalini activation and awakening within the body. How it can feel. What can be seen. What response can be the most beneficial to the person awakening to such an event. We do not promote a fear based response but rather a love based strength that will carry you FAR BEYOND your wildest expectations and lead you to the beginning of your personal ascension. We ask that members be considerate in their communications with each other as this is conducive to a positive flow of information. Ego isn't the focus here. Information about how to attain or open the Kundalini flow is our charter. Safety and sanity, practice and practicality, Love and service in the search for truth with in the application of Kundalini is where we live. So sit back, rest, be at ease, spine straight, tongue up and get ready to ride your rainbow!
